

AN INTRODUCTION

WHO ARE WE?

UrbanPromise Vancouver is a place where people from various backgrounds gather (including socio-economic, ethnic, cultural, generational, and occupational) to build positive relationships with the intent of providing children and young adults with opportunities to be equipped with the experience and skills necessary for academic achievement, life management, spiritual growth, and leadership. We strive to fulfill this mission through after-school programs, summer camps, experiential learning, job training, mentoring relationships, and a host of other programs that challenge youth to develop and realize their potential.

Our goal is to bring positive change to the world by caring for and restoring individuals, families, and communities, as a new generation of young leaders affects social, economic, and spiritual revitalization in their neighbourhoods, Metro Vancouver, and the world.
